A certification exam guide pdf printable form pdf download

Considering this, UIDAI has prescribed mandatory Testing & Certification for enrolment personnel to ensure adherence to quality aspects. Rest of the process on Exam Registration, Test/Retest fees and contact details remain same as mentioned in the above section of Existing Test Structure. 82 (including GST) and RETEST FEE Rs. 235.41 (including GST) has to be paid using Online Payment Facility provided on NSEIT Ltd Portal after successful registration. There shall be no additional transaction fee for using the Online Payment Facility. Get exam ready with tips on taking your exam, exam guides and sample questions, and opportunities to dive deep on exam strategies with accredited AWS expert instructors. Currently certification is available for the following roles: Enrolment Supervisor / Operator Child Enrolment Lite Client Operator Training Delivery Training for the Enrolment Staff is provided mainly by the Registrar and Aadhaar Enrolment Agency to ensure quality of Enrolment and make them aware of all the processes involved in the Enrolment Eco System. I find that very satisfying. Before taking this exam, we recommend you have: Six months of exposure to the AWS Cloud Basic understanding of IT services and their uses in the AWS Cloud platform Knowledge of core AWS services and use cases, billing and pricing models, security concepts, and how cloud impacts your business To earn this certification, you will need to take and pass the AWS Certified Cloud Practitioner exam (CLF-C01). AWS Academy AWS Educate AWS re/Start AWS Skills Centers This credential helps organizations identify and develop talent with critical knowledge related to implementing cloud initiatives. 6. Certification is a mandatory requirement to perform Aadhaar enrolment and Update. UIDAI also believes that apart from training there has to be a mechanism to assess the person's skill and proficiency to work as enrolment staff before the Enrolment Staff start performing the Aadhaar Enrolment or Update. Unlike the earlier Test Structure (mentioned in the above section) the Question bank for the new Training content has not been published, in order to encourage the candidates to go-through the complete Training Handbook and obtain good understanding. As per UIDAI's Testing and Certification Policy "The candidates must schedule their test within 6 months of depositing the fee, failing which, their fee shall be forfeited and they shall not be allowed to appear for the test against that fee." 4. Separate Learner's guide particularly on "Aadhaar Update", "Child Enrolment Lite Client", "Roles and Responsibility of Verifier and Introducer" is also available for specific training needs. Post Certification, if any problem is faced during on-boarding process of the Certified Operator/Supervisor, their respective Enrolment Agency can contact UIDAI Technical Support at 080-23099400 or send in their queries at This email address is being protected from spambots. To ensure that the trainers are proficient in the local languages and are aware of field learning at local level, Regional Offices has been given the responsibility of anchoring the programs in their respective States & UTs. The duration of these programs are fixed at 1-2 days as all the identified resources already possess the basic knowledge about Aadhaar processes and systems. They will not be able to do any other type of enrolment using ECMP client. Candidates certified in Child Enrolment Lite Client will be able to work only on CELC application software and perform Child Enrolment. The Master Trainers act as the resource person to impart refresher training and content related to this is prepared by the Enrolment Division covering the exact change/process update. For verification purpose, Candidates are advised to download latest copy of their e-Aadhaar (downloaded after 1st January 2019) from the website link "aadhaar.uidai.gov.in" and carry the black & white/color print out of the same at NSEIT Ltd exam centre on date of exam. All the Certification Exams conducted by Testing and Certification Agency (M/s NSEIT Ltd) shall be as per new pattern. Pool of Master Trainers trained in the TOTs will be available with the ROs/ Registrars / Enrolment Agencies/ Govt. All the candidates who had scheduled their Certification Exam on or after 04.02.2019 are requested to download the new Test Structure, Question Bank (s) and related Leaner Guide(s) from the table given below for self study and preparing for the Certification Exam. Registrar and Enrolment Agencies may nominate "Master Trainer" from their respective Department/Organization or use facilities of specialized Training Agency from time to time to gather knowledge related to any change in Aadhaar Enrolment Ecosystem. 5. Regional Offices (ROs) of UIDAI also deliver need based training through various programs like Classroom Training, Master Trainer's Training/TOT and Orientation /Refresher program of EA staff. Orientation/Refresher program of Enrolment Agency Staff Orientation /Refresher Training Program are intended only for the active Enrolment Agency Staff namely Supervisors or Operator or Child Enrolment Lite Operators involved in enrolment process. S.No. Topic of Training Content Published Date Download I Handbook for Ecosystem Partners (Registrars/ Enrolment Agencies (EAs)/ Supervisors/ Verifiers/ Introducers)(applicable from 01st January, 2022) 01st December, 2021 English | Hindi | Assamese | Bengali | Gujarati | Malayalam | Tamil | Kannada | Marathi | Punjabi | Odia | Telugu | Urdu 2 New Test Structure for ECMP Operator cum Supervisor/CELC Operator certification(applicable from 01st January, 2022) 01st December, 2021 English Note: The content in the Training handbook may slightly differ from the actual practice in the field as there could have been revision in the policy during the period the new content was getting developed and published. These programs are being conducted in class room mode and may be conducted once in every quarter by each Regional Offices. You need JavaScript enabled to view it. Testing and Certification of Enrolment Staff I) Existing Test Structure. (Applicable from 04th February 2019) UIDAI has appointed NSEIT Ltd as Testing and Certification Agency (TCA) to conduct online test to assess the individual's ability to carry out fresh Enrolments and Update existing information in accordance to UIDAI prescribed standards. For such a diverse and collaborative effort of successfully building the residents' database, uniformity of Aadhaar Enrolment and Update process across the entire eco-system of Registrars is very necessary. Since UIDAI does not employ any certified candidate directly, UIDAI's mandate is to provide a unique Aadhaar number to all the residents of India. New Test Structure and Question Bank for taking Aadhaar Supervisor/ Operator and Child Enrolment Lite Client Operator (CELC) will be applicable from 04.02.2019. Departments to train others stakeholders in their respective Department/ Organization thus offering benefits of the scale and size. Everything just fell into place, and my confidence in my own knowledge grew. AWS Certified Cloud Practitioner is intended for anyone who has basic knowledge of the AWS platform. The main objectives of the training are to make Enrolment Staff understand how to setup and manage an Enrolment Centre, use various devices required for enrolment, familiarizing audience with the Aadhaar Enrolment Client and how to handle exceptional cases through these programs. These programs are conducted in the premises of ROs or some other place such as State Training Institutes etc. The updated Training Handbook and the associated Test Structure has been published in this section for the reference of the candidates aspiring to be certified as ECMP Operator cum Supervisor or CELC Operator. Important Note: 1. Mega Training and Certification Program These programs are conducted in places where the demand of large pool of Enrolment Supervisor/Operator/Operator CELC is required. The XML along with Share code and VID Number will be used for New User Registration on NSEIT UIDAI Exam Registration Page. - The minimum qualification for Operator/Supervisor or CELC Operator Certification is 12th pass. The Training Session may be conducted by the Master Trainers available with the Regional Offices using the Training Content available on UIDAI website followed by a Certification Process through a Testing and Certification Agency engaged by UIDAI. You can support a team in getting AWS Certified by funding AWS Certifications with exam vouchers. Signal the value of skills advancement, manage your learning and development budget strategically, and get insights on voucher usage. Master Trainer's Training/TOT Master Trainer's Training program or TOT (Training of Trainers) programs are intended to train the Master Trainer who can further train others in their respective domain. 3. The exam features a combination of two question formats: multiple choice and multiple response. The training content for self-study is available at UIDAI's website for Enrolment Staff and other Stakeholders. A TEST fee of Rs. 470. 2. However, candidates certified as Operator/Supervisor will be able to work on both ECMP and CELC Client software. The ROs can also identify the Master Trainers from Advance Training Institute and their own resources such as SSAs, PSAs and ADGs apart from the nominated Master Trainers. To address this need, UIDAI has developed a comprehensive Training Delivery Methodology and Training Content for all the stakeholders. For the aspirants interested getting certified as Enrolment Operator/ Supervisor or CELC Operator, Learner Guides, Question Banks in multiple languages and Test Structure is also provided for self study and preparing for the Online Certification Exam conducted by Testing and Certification Agency. Download sample questions » Each time I passed an AWS Certification exam, I really found that things had clicked for me. Only, in case of Aaganwadi/Asha workers the minimum qualification for CELC operator certification is 10th pass. Sign up to get weekly tips and resources from AWS Training and Certification. Ultimately, the AWS Certifications I got played a big role in finding my current job - so there's lots of satisfaction there as well. " J Dana Eckart Senior Solutions Architect, Vistra Corp Level: Foundational Length: 90 minutes to complete the exam Cost: 100 USD Visit Exam pricing for additional cost information. Enrolment Agencies/ Registrar may contact Training and Testing Division UIDAI H.Q. for Bulk Online Payment, Bulk Online Registration and Bulk Online Scheduling of their candidates. This New Test Structure shall be effective from 10th January 2022 until the next revision gets published. Achievement of such uniformity requires that the Enrolment Staff involved in the Aadhaar Enrolment or Update process at the field level is trained thoroughly to accomplish the job of enrolment. Since these programs are meant for a target group that has a reasonably sound foundation, the duration of the program is fixed as 1 Day. Post preparation, the Aspirants can visit NSEIT Portal (to get details of registration process, city wise Test Centers, Available dates for scheduling exam and other important details. To register for Aadhaar ECMP Operator/Supervisor or CELC Operator Certification Exam on NSEIT Portal, candidate have to generate Offline Aadhaar XML file and share code from the following link - and latest copy of e-Aadhaar having Virtual ID (VID) from the same link - Candidates are requested to refer the content in the handbook only for their exam preparation. Earning AWS Certified Cloud Practitioner validates cloud fluency and foundational AWS knowledge. This Training handbook will be the syllabus for the certification exams. UIDAI has provided Comprehensive Learner's Guide on "Aadhaar Enrolment and Update" for understanding important aspects of Aadhaar Enrolment and Update and providing -Orientation/ Refresher Training to Enrolment Staff. To access the learning of the participants, these programs may include a Test Session at the end of the program. Format: 65 questions; either multiple choice or multiple response Delivery method: Pearson VUE and PSI; testing center or online proctored exam This exam is offered in the following languages: English, French (France), German, Indonesian, Italian, Japanese, Korean, Portuguese (Brazil), Simplified Chinese, and Spanish (Latin America). Additional information, such as a detailed exam content outline, is in the exam guide. Download the exam guide » Review sample questions that demonstrate the format of the questions used on this exam and include rationales for the correct answers. All the Certified Candidates have to approach active Aadhaar Enrolment Agency to start Enrolment/Update work For any queries related to "Registration, Application form submission, Exam Fee, Exam Center/Exam Slot and Testing & Certification Application", Candidates can contact 022-42706500 or send in their queries at This email address is being protected from spambots. Mega Training Camps are also conducted by ROs to create large pool of Enrolment Staff. You need JavaScript enabled to view it.
